- may 17 - international day against homophobia and transphobia

Lundi, 6 mars 2023

Objet : Journée internationale contre l'homophobie et la transphobie, 17 mai 2023

Bonjour,

La Fondation Émergence a pour mission de défendre les droits des personnes lesbiennes, gaies, bisexuelles et trans (LGBTQ+). Chaque année, elle met sur pied la Journée internationale contre l'homophobie et la transphobie (17 mai), créée par la Fondation pour la première fois au monde, au Québec, en 2003. Cette journée est aujourd'hui reconnue à l'échelle nationale et internationale.

Dans le cadre de la Journée internationale contre l'homophobie et la transphobie, la Fondation Émergence invite, chaque année, toutes les municipalités à envoyer un message d'inclusion aux résidents et résidentes de leur municipalité, en hissant le drapeau le 17 mai prochain.

Nous vous invitons également à adopter une résolution au conseil municipal pour souligner cette journée importante (voir modèle attaché en pièce jointe dans le courriel). Également, nous vous invitons à nous envoyer votre résolution afin de vous afficher sur notre carte des municipalités [Carte des municipalités – 17 mai](#)

L'année dernière 287 municipalités ont affiché leur soutien aux personnes LGBTQ+, embarquez dans le mouvement pour nous aider à atteindre un nouveau record cette année pour le 20^{ème} anniversaire de la Journée.

De plus, nous vous invitons à partager une photo sur vos réseaux sociaux en identifiant @journee17mai avec le #17mai afin que votre municipalité rayonne de son inclusivité partout au Québec.

Si vous n'avez aucun drapeau en votre possession, vous pouvez contacter Flag shop : <https://montreal.flagshop.com/contactus.php> pour vous en procurer un en livraison.

Avec votre soutien, nous continuons de marquer l'histoire du Québec en faisant un geste fort contre l'homophobie et la transphobie. Ensemble, nous pouvons créer un Québec qui accepte pleinement la diversité sexuelle et de genre.

Veuillez recevoir l'expression de mes meilleurs sentiments.

- Semaine de la sécurité civile

Le 26 avril 2023

Aux coordonnateurs municipaux de la sécurité civile

Objet : Semaine de la sécurité civile du 7 au 13 mai 2023

Bonjour,

La Semaine de la sécurité civile se tiendra du 7 au 13 mai sur le thème « Ma sécurité : ma responsabilité ». La Semaine de la sécurité civile est l'occasion pour le ministère de la Sécurité publique (MSP) et ses partenaires de sensibiliser les citoyens et citoyennes aux conséquences d'un sinistre et de leur rappeler qu'en situation d'urgence ou de sinistre, ils sont les premiers responsables d'assurer leur propre sécurité ainsi que celle de leur famille et la protection de leurs biens.

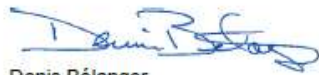

Cette année, les outils de sensibilisation aborderont de façon plus particulière les aléas en lien avec le climat pouvant survenir plus souvent au cours de la période estivale : mouvements de sol, chaleurs extrêmes, vents violents et tornades, etc. À la suite des récents événements auxquels le Québec a fait face, soit la tempête hivernale de décembre 2022 ou la tempête de verglas d'avril 2023, les citoyens ont pu constater que le plan familial d'urgence et la trousse d'urgence sont des éléments importants dans leur préparation aux sinistres. Un rappel concernant ces éléments de préparation sera donc effectué.

Nous vous invitons à participer à cette semaine de sensibilisation et à diffuser dans vos réseaux respectifs les informations présentes sur le site Web Québec.ca, dont la page du [matériel de promotion et de sensibilisation](#) rendue disponible dans le cadre de la Semaine de la sécurité civile.

Si ce n'est déjà fait, nous vous invitons aussi à vous abonner aux comptes de médias sociaux du MSP et à partager nos publications sur les comptes de votre organisation. Plusieurs messages de sensibilisation seront publiés dans le cadre de la Semaine de la sécurité civile.

Nous vous remercions de votre engagement dans ces importantes actions de sensibilisation. Nous sommes convaincus que nous serons tous gagnants si les citoyens sont plus conscientisés face aux enjeux de sécurité civile et mieux préparés à y faire face.
