

BLACK GARBAGE CAN

Materials that can't be composted or recycled generally go in the garbage can.

PLASTICS

Plastics marked with a symbol including the number 6, or with no symbol at all, as well as rigid plastic packaging.

CONTAINERS AND PACKAGING

Fabric, double-surfaced or metallized containers or packaging

WARNING!

SOME ITEMS ARE ABSOLUTELY UNFIT FOR THE BIN

Bulky goods, electronic items, hazardous household products and construction, renovation and demolition materials should be sent to an ecocenter.

OTHERS

All other items, such as clothing, toys, sports equipment or furniture, should be sent to a reuse organization if they are still in good condition
