QUÉBÉCOISE DES MUNICIPALITÉS
(FQM) – ABOLITION OF THE
RÉNORÉGION PROGRAM - REQUEST
TO THE QUEBEC GOVERNMENT TO
URGENTLY RECONSIDER ITS
DECISION**

WHEREAS the Société d'habitation du Québec (SHQ) confirmed two days after the reading of the Quebec government's 2025-2026 budget that it was abandoning the RénoRégion program, an essential program to help the less well-off homeowners in our communities, often seniors or single-parent families living in rural areas, to correct major defects in their modest residences;

WHEREAS this program has made it possible to keep several thousand people in their homes, in areas where the housing crisis is also raging, and where there is no affordable housing, or even less low-cost housing;

WHEREAS there are more than a thousand families on waiting lists in Quebec's MRCs;

WHEREAS, on March 27, the Fédération québécoise des municipalités (FQM) asked Quebec Premier François Legault to show concern for our most vulnerable citizens and families by urgently remedying the situation;

WHEREAS this request has gone unanswered, and that the 24 and 36 unit modular apartment projects in a number of Quebec cities since promoted by the Minister responsible for Housing, Mme France-Élaine Duranceau, cannot meet the needs of the regions;

WHEREAS, although the RénoRégion program has cost the Quebec government less than \$18 million per year and represents only 0.0001% of overall spending, the Minister justifies this choice for reasons of sound management of public finances;

WHEREAS the program's average subsidy is \$19,309, a fraction of the actual construction costs of the new housing units promoted by the Minister;

WHEREAS last year, at the request of the SHQ, the FQM submitted a series of proposals to increase the program's efficiency and make it more accessible to better meet needs across Quebec;

WHEREAS the SHQ was to launch an improved version of the RénoRégion program following its consultations in 2025;
