### **Inter-rive link disruptions at the Paugan power plant between July 7 and 10, 2025**

---

Hydro-Québec wishes to inform the public and its partners of obstructions on the Paugan power station's inter-rive link, connecting the municipalities of Low and Denholm.

Maintenance work at the Paugan power station :

- **Partial and occasional obstructions** - Monday, **July 7** to Wednesday, **July 9, 2025** between 8 a.m. to 6 p.m.
- **Complete closure of the inter-shore link** – Thursday, **July 10**, from 8 a.m. to 9 p.m.

Hydro-Québec is aware of the importance of this infrastructure for the local population, and thanks drivers, emergency services and municipalities for their cooperation and patience during our operations.
