Thursday November 5, 2026

Temporary Closure of the Inter-Rive Link at the Paugan Generating Station

Hydro-Québec wishes to inform the public and its partners of the temporary closure of the inter-rive link at the Paugan generating station, connecting the municipalities of Low and Denholm.

Maintenance work at the Paugan generating station:

-Complete closure of the inter-rive link: November 9 to 12, 2026, from 7a.m. to 5 p.m.

Hydro-Québec recognizes the importance of this infrastructure to the local community. During the closures, motorists may use Route 366 or the Newcommon Road bridge as alternative routes.

Hydro-Québec thanks the public, emergency services, and municipalities for their cooperation and patience during these operations.

Information: Info-Projects line at 1 866 388-1978.
